Wishes by Wyndham

At Wyndham Vacation Ownership we strongly believe that it is our responsibility to help improve the world around us. One way we accomplish this is through Wishes by Wyndham, our global philanthropic program. The mission of this program is to better our communities and to enrich the lives of disadvantaged children across the globe. Our associates around the world collaborate on this shared mission while delivering service locally to the communities where we live and work.

Wyndham Vacation Ownership works with the following charities:

SeriousFun Children's Network

Wyndham Vacation Ownership has adopted SeriousFun Children's Network as our signature charity across the company. With locations around the world, SeriousFun Children's Network camps provide a carefree, nurturing, physically safe and medically sound setting for

children with serious illnesses to experience the magic of camp. Wyndham Vacation Ownership maintains a strong relationship with the Victory Junction Gang Camp in North Carolina; Camp Boggy Creek in Florida; Camp Korey in Washington; the Painted Turtle in California; Victory Junction in North Carolina; Double H Ranch in New York State; Flying Horse Farms in Ohio; The Hole in the Wall Gang Camp in Connecticut; and Roundup River Ranch in Colorado.

Food Donation Boxes

Wyndham Vacation Ownership has placed donation boxes for nonperishable food in the lobbies of some resorts and corporate offices. All items collected are donated to food banks, family shelters and missions.

Wyndham Green

The Wyndham Green program is a way of living and working based on Wyndham Worldwide's global commitment to corporate social responsibility related to the environment. Wyndham Vacation Ownership understands that our business activities impact the earth, our resources and people's lives and is dedicated to conserving resources, preserving natural habitats and preventing pollution.

Through this program, Wyndham Vacation Ownership is driving change around the world and increasing knowledge among millions of employees, owners and guests. Wyndham Vacation Ownership is proud to be a leader in the global movement to reduce the collective environmental impact of the hospitality industry.

Wyndham Green is not just a program — it's a way of life.

Here is how we help:

CLUB WYNDHAM® Resorts

We are building an eco-friendly culture that strives to continuously improve and sustain our positive results over time, including using green paper collateral, energy-saving lighting, water-saving devices, green housekeeping products, in-room green detergents, in-room green bath products and in-room, shade-grown Arbor Day coffee to preserve the earth's rainforests.

In addition to implementing a guest recycling program, we use recycled materials wherever possible such as for associate uniforms, and we repurpose old furniture and carpet by donating it to outside organizations.

Wyndham® Million Trees Project

The Wyndham® Million Trees Project, a partnership with the Arbor Day Foundation, is an initiative to raise \$1 million to plant 1 million trees.

Green Education

Wyndham Vacation Ownership develops green programs to benefit the community and educate both guests and employees about the importance of contributing to the wellness of the environment.

Helpful hints for being green on vacation:

- Wash only full loads of clothes and dishes
- Turn off lights, heaters and air-conditioners when you leave your unit
- Close the drapes in warm or cold climates
- Take only maps and brochures that you will use
- Use the guest recycling program where possible

Important Information on Points Charts

- There are four Seasons in CLUB WYNDHAM® Plus — Prime, High, Value and Quiet — with Prime season being the most popular time to travel to that location. By choosing to travel during Value or Quiet season, you can maximize your vacation value and travel when availability is greatest and point costs are low.
- The Unit Information Charts on the CLUB WYNDHAM Plus resort pages will help you match the unit type to your vacation needs.
- Also, see “Fast Facts” and “Helpful Hints” about each resort to make vacation planning even easier.

How to Read Points Charts

At some resorts, you will see an expanded points chart which provides owners with additional options. Where these are available, you will have the opportunity to confirm different Season demands, resort floor locations and unit views.

As Wyndham Vacation Resorts develops new resorts, some points charts will reflect more choices at varying point values based in part on the demand within the Season, unit type, unit floor location and unit view.

Some resorts offer the option to choose a special view.

Selecting a Unit Type

One of the best things about being a CLUB WYNDHAM® Plus Member is the flexibility of your program. You have the flexibility to choose how many points you want to spend on your vacation, and to select exactly the right type of unit for your travel needs. You'll find a unique resort points chart for each CLUB WYNDHAM Plus resort that shows all the various types of units available at that location.

! **Important Information for Selecting a Unit Type**

- Decide how many people will be traveling with you to determine the size of the unit you need.
- Be sure to make a note of the maximum occupancy to help make your choice. The maximum occupancy is determined

by the approximate square footage of the unit, number and type of beds, seating capacity at the dining table and any state or local occupancy regulations.

- Units are assigned by our reservation system to ensure we are able to make the most efficient use of the inventory and accommodate as many reservations as possible.
- Our Vacation Guides are not able to take requests for specific units, with the exception of requests for special accessibility needs, subject to availability.
- We are not able to guarantee room view or location, except at resorts with expanded points charts which indicate view and location, like the one shown above.

Sample Chart

On the Unit Information Chart for each CLUB WYNDHAM® Plus resort, you'll find helpful information for planning your vacation. The chart lists the unit types featured at the resort and all of the amenities included in each unit type. Use the key below to read the Unit Information Charts.

- **Yes** = all units of this type at this resort have this amenity
- **No** = no units of this type at this resort have this amenity
- **Most** = 2/3 or more of the units of this type at this resort have this amenity
- **Some** = less than 2/3 of the units of this type at this resort have this amenity
- **Varies** = the amenity listed for this unit type varies from unit to unit at this resort

Occupancy (Max./Priv.) - The chart shows the maximum occupancy and private occupancy.

- **Maximum Occupancy** = maximum number of guests a unit will accommodate. Maximum Occupancy is determined by many factors, including local fire safety regulations, dining area seating, square footage of the unit and sleeping accommodations. In order to ensure your comfort, the Maximum Occupancy may be smaller than the total number of sleeping accommodations.

- **Private Occupancy** = number of guests a unit will accommodate allowing for two (2) adults per separate sleeping area with private access to a bathroom.

Kitchen - If the unit has a kitchen, the chart shows whether it's a full, mini or partial kitchen, which includes appropriate cooking and serving items.

- **Mini** = may include stovetop, sink, mini or slimline refrigerator, microwave and some storage; may or may not include a dishwasher or oven
- **Partial** = may include sink, mini-refrigerator and microwave; no cooking facilities

Square Footage - The chart indicates the approximate size of the unit type. A range indicates the square footage will vary from unit to unit.

Year Built - The chart indicates the year in which the building was opened for occupancy. If building was done in multiple, nonconsecutive years, the years are divided by a slash mark. If a range is given, building was done in each year that falls within the specified range.

Wyndham Bison Ranch
Includes Inventory in CLUB WYNDHAM® Access

Spectacular Scenery and Old West Delights. Truly capture the essence of the Old West lifestyle at Wyndham Bison Ranch and Arizona's Rim Country, a land of diverse rock formations, stunning canyons and lushly forested mountains. You'll love our charming units that sit atop quaint period shops, such as Ronna Lea's Country Boutique, Twinnie's Coffee Break and Purple Sage. During the summer, catch a rodeo on the back plot or a cowboy cookout. The resort is surrounded on three sides by the Apache-Sitgreaves National Forest, where you'll witness some of the most spectacular scenery in the Southwest. Travel by foot or by horseback through the pines and high-country prairie, where you might encounter elk, bald eagles, pronghorn antelope, coyotes, bear, fox, bighorn sheep, cougars and bobcats. After a day of exploring, fire up your private gas barbecue and appreciate the refreshing mountain air and fantastic scenery with a family cookout.

While Bisontown is not short on entertainment, the nature-packed playground it resides in is compelling. Only 130 miles from Phoenix, the mountain air is invigorating and offers a reprieve from the Arizona sun. The Sitgreaves National Forest presents amazing views from the Mogollon Rim with its 7,600-foot elevation. Fish at one of the numerous cold-water lakes and streams. Explore the Kinishba Ruins, a 600-room ancestral Puebloan village in the White Mountains, or head to Lyman Lake State Park to hike a mile-long trail lined with petroglyphs created in 300 B.C. Investigate the world's largest concentration of petrified wood at the Petrified Forest National Park or visit the "mini-Grand Canyon," Canyon de Chelly. For a more recent historical site stop at Fort Apache, home to the 1st and 21st Infantry during the time of Geronimo and Cochise.

"The scenery in the area is awesome. We really enjoyed the high desert and surrounding area." — A Fellow Owner

Wyndham Flagstaff

Includes Inventory in CLUB WYNDHAM® Access

2,200 Acres of Flagstaff Fun. Wyndham Flagstaff, located in Northern Arizona's high country, offers you a neighborhood-style "home away from home" with a full range of resort amenities and activities. It's easy to enjoy a wonderful stay here without even leaving the grounds. Guests frequently mention our staff's warm hospitality along with our spacious units and impressive choice of amenities. With Flagstaff's breathtaking scenery, the hiking and biking trails are always big winners: take a slow walk or a brisk bike ride — either way, you can't beat these views. Another way to soak in the beauty is on the golf course, which features an 18-hole championship course, a 12-acre driving range, and a par-3 chip-and-putt course amid lakeside and mountain vistas. Splashing fun comes in two varieties: the fitness pool at the on-site Continental Country Club, and the family/kids pool at Bear Paw Activities Center. Kids will love the PlayStation® game station and you may appreciate the complimentary Internet access as well. When appetites beckon, you'll find Starbucks coffee and other tasty treats at the Bear Paw Activities Center — plus meals and relaxing cocktails at Jotini's on the Green.

When you do head off site, you're close to so many of the attractions that make this region such a popular vacation spot — including the Grand Canyon and excellent skiing at Arizona Snowbowl during the winter. Head to downtown Flagstaff for quirky fun along famous Route 66. The area offers many cultural delights: the Museum of Northern Arizona, Lowell Observatory, Pioneer's Historical Museum, plus much more. The Petrified Forest and adjacent Painted Desert are definite must-sees.

"Everywhere we go, especially Flagstaff, you are greeted by smiling faces and made to feel like you are family. We have enjoyed the quiet time sitting in front of the fireplace or joining in activities and wondering how could we be so lucky in life."

Wyndham Pinetop

Includes Inventory in CLUB WYNDHAM® Access

Cool and Crisp. Located just a few hours from Phoenix, Wyndham Pinetop in western Arizona's White Mountains offers a refreshing break from the desert heat. At 7,200 feet, the altitude and breeze keep the temperatures comfortable in the summer months. At Pinetop, nature lovers can enjoy numerous opportunities to take it all in. Hiking, horseback riding, golfing and fishing are all popular activities. Walk the Mogollon Rim Nature Trail, a one-mile loop along a rim that basically divides two climates and offers spectacular views, especially at sunset. Finally, Wyndham Pinetop's location offers several unique day trips within a couple hours' drive like Lyman Lake State Park and the Petrified Forest National Park. During the winter, skiing, snowboarding and ice fishing are exhilarating experiences. Plus, for a little razzle-dazzle, the Hon-Dah Resort Casino is only three miles down the road from the resort.

For those days you want to stay at the resort, just relax in front of your fireplace or enjoy the swimming pool and two outdoor hot tubs, available seasonally, as well as the tennis court and the recreation center filled with fun family activities. The most amazing feature at Wyndham Pinetop is probably one provided by nature. To experience it, all you have to do is step outside on a clear night and look up. The stars seem to shine brighter against the darkest of night skies here, putting on a show you don't want to miss!

"This is a great place to unplug, in the summer or winter! We took our kids skiing for the first time, but we could have had just as much fun sledding on the property or hiking around with snowshoes or building snowmen. In summer, there are a lot of lakes around and you can fish, go mountain biking, kayaking, hiking, it's just a wonderful place to be." — A Fellow Owner

Wyndham Vacation Resorts Steamboat Springs

Includes Inventory in CLUB WYNDHAM® Access

Where It's Always "Spring" Time. Whether it's the unique hot springs that dot the area, the world-famous ski slopes nearby or the year-round collection of outdoor activities, Wyndham Vacation Resorts Steamboat Springs will always attract visitors to its perfect corner of the Rocky Mountains in northern Colorado. And Steamboat Springs is the perfect place to call home as you explore this authentic Western town. With natural mountain beauty, unique attractions and historic charm, this is one hideaway you and your family want to discover again and again. When you just want to sit back and relax without venturing beyond the bounds of the resort, you'll find plenty of fun activities to keep you entertained. There are three on-site swimming pools and hot tubs for soaking those tired muscles after a long trip or a day of adventure. The fitness center is perfect for staying in shape on vacation or getting the blood pumping for a fun-filled day. There's also a game room for those lazy days when you just want to play indoors.

Leave the resort and you'll see why Steamboat Springs is known as Ski Town, USA. Ice-skating, snowmobiling or a smile-inducing sleigh ride over the fields of snow are also great ways to experience this mountain playground. As the snow melts, the high country opens up to river rafting, fly-fishing, mountain biking, hiking and more. And of course, there are the local hot springs that give the town its name. Don't forget to stroll downtown and gaze at the historic storefronts that will take you back to the town's Wild West beginnings.

"The resort was ideally located for skiing and close to so many other activities. Everyone on staff and the other guests were so pleasant. The relaxed atmosphere of the town and the resort were truly contagious!" — A Fellow Owner

Wyndham Ocean Walk

Beachside Sun and Daytona Fun. When you stay at Wyndham Ocean Walk, located on a beautiful pedestrian-only beach and a part of the 80,000-square-foot Ocean Walk Village complex, it's like two vacations in one. You and your family will love the beachside retreat that's within walking distance of the most popular entertainment choices and activities Daytona has to offer. You're just an elevator ride away from the three-level entertainment complex Ocean Walk Shoppes, which features well-known restaurants, a movie theater and specialty shops. Besides four pools that include shallow and deep models — one even has a water flume slide — there's a lazy river and children's pool; kid's Interactive Aquatic Center with jungle gym; a robust Activities Department packed with kid-themed fun; Kid's Club play gym; arts and crafts; an arcade with air hockey tables, pool table and other games; and nine holes of indoor mini golf. Grown-ups get to play, too: live music and karaoke at two resort bars including Turtle's Nest pool bar and grill; cooking classes; fitness classes; and computer room for those needing to check email.

The fun continues a few blocks away at the famous Daytona Beach Boardwalk and Main Street Pier — and across town at Daytona International Speedway. Ponce Inlet Lighthouse & Museum and Casements Center, a Rockefeller home, are historical treats. Drive 30 minutes to quaint New Smyrna, voted a Top 100 U.S. Artist Community, or an hour to Mount Dora, known nationally for its excellent antique shopping and arts festival. Orlando's many theme parks are also just an hour away. If you're looking for family-friendly fun in the sun, look no further.

“The staff were incredibly helpful and gracious: front desk, security, concierge, chef and all those providing service were genuinely concerned and focused on our needs and safety. My family and I will never forget our idyllic stay at Wyndham Ocean Walk Resort.” — A Fellow Owner

Wyndham Santa Barbara

Nautical Pleasures with a Personal Touch. Wyndham Santa Barbara, located across from Pompano Beach on South Ocean Boulevard, offers you a striking marina setting with gleaming yachts and sparkling Intracoastal waters, paired with a warm, “home away from home” feel that will make your stay here a very special memory. You’ll find endless ways to play in or out of the water, with the beach right across the street. Sail or Jet Ski down our beautiful Intracoastal Waterway to Fort Lauderdale, nicknamed the “Venice of America.” Try deep-sea fishing in the Atlantic Ocean. Sunbathe by the resort’s tropical pool and hot tub, enjoyed by both adults and children. Whether you’re vacationing as a couple or family, you’ll find a nice mix of activities including wine and cheese parties, arts and crafts, tropical drink mixing lessons, ballroom dancing lessons, water aerobics, health seminars, pool volleyball and Movie Night. Owners often mention the warmth and extra-personal attention they enjoy at this resort, and how comfortable they felt during their visit.

Everything is within walking distance, and dining and shopping are only a quarter mile away. Guests enjoy golf and spa privileges at our sister resort, Wyndham Palm-Aire, a 15-minute drive away. The past comes alive at Stranahan House. This charming 1913 home was built for the town’s first school teacher and since then has served as a trading post, the town hall, the post office, a bank and now a unique museum. Butterfly World lives up to its name with thousands of the critters — more butterflies than anywhere in the U.S in an 8,000-square-foot natural rainforest setting, with flowers, foliage, waterfalls, cave, gardens and hummingbird aviary.

“Wyndham Santa Barbara has the feel of being part of the family with the friendliness of the staff. One is made to feel that you are special, and they treat you as though they are glad you are there. Everyone ... gives you that ‘down home’ feeling.” — A Fellow Owner

Orlando Adventure with All the Extras. Star Island, located 10 minutes from *Walt Disney World®* Resort in popular Kissimmee, offers so many fun on-site amenities and activities, it actually rivals the magic of Orlando itself. From the moment you drive across the lion's head bridge and past the guarded gate, you'll realize you're in vacation paradise. Jet Ski across the resort's spacious lake, sunbathe at two pools (one is a zero-entry design with waterfall), soak in the hot tubs or just admire picturesque fountains and rippling waters from a quiet walking path. Fine-tune your serve or line drive with a private coaching lesson; we have a tennis pro and a golf pro on site. Then practice what you learned on our courts and driving range. The world-class spa and fitness center have hosted many sports celebrities over the years: whether you crave an invigorating workout or relaxing massage, you'll find it here. Kids will never run out of things to do: besides our many activities for all ages, there's a children's splash area, game room, arcade, paddle boats, kid's tennis program, full-length basketball court — plus hot dogs and ice cream at the pool. When you work up an appetite, you'll find great choices at the pool snack cart, coffee bar or casual dining restaurant within walking distance of the resort.

Splash with the dolphins and snorkel amid thousands of rays and exotic fish at SeaWorld's Discovery Cove®. Test your thrill ride mettle at Universal's Islands of Adventure®. It's easy to spend a full day at *Disney's Typhoon Lagoon* and *Blizzard Beach* water parks — lots of wild and mild fun for all ages.

Wyndham Kona Hawaiian Resort

Authentic Hawaiian Pleasures. At Wyndham Kona Hawaiian Resort in Kailua-Kona on the Big Island's west coast, you'll feel as if you're stepping back to a simpler time. Every detail has been designed to re-create the charming island ambiance found back in the '30s, while still assuring you all the comfortable amenities and activities you expect in a modern-day tropical resort. From the two-story plantation structures to the thatched check-in hut, island furnishings, tropical foliage and native music, this property surrounds you in traditional Hawaiian ambiance often missing from today's modern high-rise resorts. Owners mention the authentic theme and décor as one of their favorite aspects here — especially couples, who enjoy the tranquil, romantic feel. Both outdoor pools — one of which has a shallow children's pool separated by "lava" rocks from the adult pool — also have hot tubs. Plus, there are six barbecue stations for you to host your very own mini-luau. Kids and adults alike enjoy island-inspired classes that teach them how to make Hawaiian leis and other craft items. Try a hula or ukulele lesson, and don't miss Aloha Tuesdays — a friendly owner party with appetizers and a hula show. While there's no food service at the resort, shopping, entertainment and dining are less than a mile away in quaint Kailua-Kona.

Experience a live volcano and awesome hiking at Hawai'i Volcanoes National Park. Gaze at black sand beaches and breathtaking ocean cliffs from Waipi'o Valley Lookout. Visit Moku'aikaua Church — the first Christian church built by American missionaries in 1820. Explore nearby Hulihe'e Palace, once the vacation home of royalty, now a museum filled with gorgeous furniture and fascinating artifacts.

"The resort is beautiful and the staff there were so friendly, and treated us like family. We found the true 'Aloha Spirit' there in everyone we met." — A Fellow Owner

Whether your dream trip includes high-energy fun or quiet downtime, our accommodating and knowledgeable resort team will make you feel right at home. Savor paradise wherever your eyes gaze: from ocean and mountain vistas to the lush island landscaping and waterfalls that grace our resort. Your unit's rattan décor and elegant furnishings complement Pacific Island ambiance while including every modern convenience. Even our pool is a visual treat: cascading waterfalls for pure spa relaxation; a free-form area that creates a separate children's pool; and a shallow sand-bottom entry that leads to a beach perfect for sandcastles and volleyball. Or seek drier fun on the tennis court, at the clubhouse or simply beneath the warm Hawaiian sunshine.

Kaua'i and exceptional golf are one and the same ... tee off at Makai or Prince, ranked among America's 100 Greatest Courses by "Golf Digest." Enjoy windsurfing and stunning coral reefs at Anini Bay. Just across from Ha'ena State Park is Manini-holo Dry Cave ... relish that eerie feeling as you step inside and watch the last rays of sunlight disappear behind you. From working sugar plantations to cultural/historic journeys to soaring helicopter views, Kaua'i is best savored in a myriad of ways.

"Wonderful! The staff was excellent, the room was beyond belief, and the setup of the buildings and grounds made you feel like you were in a tropical paradise." — A Fellow Owner

Wyndham Ka 'Eo Kai

Splash, Serve or Swing. Wyndham Ka 'Eo Kai, the first resort situated just past the Princeville entrance, perfectly captures the ambience of the "Garden Isle" while offering a variety of water, golf and tennis pleasures. Enjoy exotic views from every unit, picturesque pools, intimate nature trails, clubhouse activities and a golfer's dream spot on the Makai Golf Course. Check out the resort's two gorgeous swimming pools. One is a secluded quiet pool ... a charming spot for a quick dip. The second is far more elaborate: this large sculptured pool is a family treat with cascading waterfall, children's wading pool and hot tub. Enjoy a quiet stroll down the historic tree lane, once heavily traveled by carriage-riding plantation owners, now your tranquil trail to pristine Anini Beach. If tennis is your pleasure, wait until you serve and volley on courts nestled right into the island landscaping. Like golf? You are in the best of all worlds, alongside the Lake Nine section of the renowned Makai Golf Course. Fun activities await you at our elegant clubhouse and at nearby resorts: dancing, golf scrambles, BINGO!, luaus and more. All are great ways to meet friendly fellow owners.

Tour the wondrous Na Pali coastline by boat. Waimea Canyon is spectacular, whether you prefer to hike it, stroll to the valley floor or just gaze from afar. You'll find great bird watching, rich Kaua'i history and many fellow visitors at popular Kilauea Lighthouse, built in 1913. See legendary "wet caves" built by volcano goddess Pele ... then step into the pitch-black Manini-holo Dry Cave. Flashlights are allowed!

"Ka 'Eo Kai resort is a paradise in paradise! From the moment we entered the resort until the moment we left, the entire experience was wonderful. The staff was friendly, knowledgeable and very helpful in securing activity reservations for us. Wyndham Kaua'i Beach Villas

Kaua'i Beachfront Treasure. Wyndham Kaua'i Beach Villas, located just a few minutes from Kaua'i's main airport and north of Lihue, the island's largest city, sits right on the magnificent "Coconut Coast" shoreline. Enjoy the privacy of our beachfront resort, while being just minutes away from world-class golf, fine dining, quaint towns and sightseeing pleasures. This property — once a spiritual retreat for ancient warriors — embodies a warm, friendly feel reminiscent of Old Hawai'i. You can clearly see the Kaua'i architecture everywhere, from winding walkways framed by exotic flowers and fruit trees to the peaceful man-made lagoon where swans, ducks and tropical fish pass by. Your villa is decorated in whitewashed rattan furnishings and vibrant hues, with all the amenities you'd expect plus an open lanai. You'll find a tropical pool, hot tub, two lighted tennis courts, plus many organized events hosted by our resort team, including luaus, scuba-diving excursions and more. While great eateries are located close by, save a meal to enjoy an old-fashioned cookout at one of our open barbecue centers. At night, a terrific bar with live local entertainment beckons at the luxury hotel that shares our premier beachfront space.

Tee off next door at Wailua Golf Course with very reasonable greens fees. Nearby towns are charmingly rustic. Wander or do some serious shopping: you'll find original island apparel, souvenirs and more. Enjoy the fare at a cozy pub, dine in four-star splendor or explore local eateries famous for good food in big portions. Many gorgeous Kaua'i beaches will tempt you, but Poipu (20 minutes away) has the best year-round weather. Nurture your cultural appetite with Hawaiian artifacts/art and contemporary works at Kaua'i Museum.

"The resort is in a quiet area halfway between both the north and south shores. The unit was large and very comfortable with a great ocean view. The concierge was extremely helpful in meeting our entertainment needs." — A Fellow Owner

Wyndham Shearwater

Spectacular Views from Every Villa. If Wyndham Shearwater, perched high upon a bluff overlooking pristine Anini Bay, offered nothing but breathtaking panoramic views, it would still be well worth your stay. Luckily, there's much more you'll enjoy here. Exceptional golf is just minutes away. The cliffside pool and spa area is a sensory delight, and our clubhouse inspires shared fun with friends old and new. Meticulous garden pleasures, our friendly, knowledgeable staff, and an impeccable standard of service all assure you pure vacation bliss, whether you're traveling as a couple, with family or close friends. Even with all of Kaua'i's magnificent charms, little surpasses the stunning views from your unit as you sip your morning coffee or unwind each night. From dawn until sunset, your view is ever-changing: misty morning sunrises ... sparkling afternoon waters that reveal coral formations underneath ... dramatic mountain shadows at sunset. If you're here from December through March, you may even see humpback whales. The elegant clubhouse, charmingly outfitted with ecological artwork and a saltwater aquarium, is a relaxing spot to gather — especially with its massive outdoor lanai. Although great dining is located nearby, save at least one evening's meal to eat at home. Your roomy lanai is specially designed to assure you complete privacy, and houses a four-top table with chairs and a chaise lounge: an *alfresco* dining experience you'll never forget.

Hike or stroll trails at Waimea Canyon, nicknamed "The Grand Canyon of the Pacific" by Mark Twain ... take in the multicolored cliffs and spectacular vistas. Legendary Waikapala'e and Waikanaloa caves are unforgettable photo opportunities. Golf enthusiasts: choose from Makai and Prince Golf Courses, equally challenging and equally stunning — both are Top 100-rated.

"We thoroughly enjoyed our stay. The small, intimate resort was perfect for our couple's getaway! The view from our lanai was spectacular!" — A Fellow Owner

Whether you decide to explore the beach, attractions, golf, shopping and dining options or just relax, it'll be one island vacation you won't forget. Naturally, you'll want to experience as much of Waikiki as you can, and this resort is perfectly located for spending days enjoying the island. You'll also find plenty to keep your whole party busy and entertained at the resort itself. Either way, you can always start your day off with a delicious breakfast on site. There's a sauna for high-temperature tranquility, and an outdoor swimming pool for cooling off. You'll also have access to exercise equipment so you can keep up with your exercise routine while on vacation.

You can take a short walk to the well-known Kalakaua Shopping District, or an ambitious hike up to the top of famous Diamond Head — grab some pictures that will look great in any album. Or immerse yourself in O'ahu's rich cultural history by visiting 'Iolani Palace, the official residence of the Hawaiian Kingdom's last two monarchs — King Kalakaua, who built the Palace in 1882, and his sister and successor, Queen Lili'uokalani.

“Staff is very accommodating and friendly. I like the fact that it is away from the noise and hustle/bustle and is in a bit more residential area of Waikiki.”

Wyndham Galena

Includes Inventory in CLUB WYNDHAM® Access

Plenty of Pleasures at This National Treasure. Wyndham Galena, just seven miles from downtown Galena in Northwestern Illinois, puts you at the heart of one of our nation's historic treasures. This former 19th-century mineral hotspot still retains its rich pioneer spirit and history, with roughly 85 percent of its buildings on the National Register of Historic Places. Yet, it's also a modern vacation mecca with award-winning golf, shopping and park adventure — second only to Chicago as the most-visited Illinois destination. You'll feel the charming blend of retro lodge warmth and modern luxury the moment you step into the lobby. Your spacious unit includes a private deck plus master bath whirlpool tub and a two-sided fireplace. Galena's amenities include an indoor pool, exercise room, and the owner's lounge and game area, which has a big-screen TV, arcade, pool and Ping-Pong. In warmer months, the dual brick barbecue is quite popular.

Golfers love the four local courses that are all unique in scenery and character, the closest of which is award-winning Eagle Ridge Resort's General. Galena's 90-plus shops delight all five of your senses: browse through antique shops and galleries; taste award-winning wines; and thumb through first-edition books. Reserve your spot at Fried Green Tomatoes, the local dining legend. See scenery by horseback or aboard the Galena Trolley. Winter skiing and summer sliding await you at Chestnut Mountain. The area's rich past includes opulent historic mansions like Belvedere and Dowling House, as well as the more modest Ulysses S. Grand Home. Learn all about the 1832 Black Hawk warrior attack at Apple River Fort Historic Park. Or visit beautiful Galena/Jo Daviess County History Museum with its Civil War memorabilia, steam-boating, clothing, toys and more.

"The staff has always been friendly and helpful with suggestions for things to do in the area and restaurant recommendations." — A Fellow Owner

Wyndham Avenue Plaza

Includes Inventory in CLUB WYNDHAM® Access

Crescent City Comfort. Wyndham Avenue Plaza, located in the picturesque Garden District off St. Charles Avenue, keeps you close to the popular French Quarter and all the New Orleans excitement but away from most of the crowds and commotion. Owners tell us they really like this resort's convenient location and friendly staff. The St. Charles Streetcar runs right past our front door: just climb aboard to enjoy access to the entire city. When you take a breather from sightseeing, the courtyard pool is a welcoming oasis. Head to the rooftop sun deck for a spectacular view of the Big Easy, or wander through the courtyard to take a tour of "The Ashley House," an antebellum home owned by the resort. Built in the 1840s, this home is one of the oldest in the neighborhood, and once housed prisoners of the Civil War. Once you're rested, a juicy steak, fresh seafood or gumbo really hits the spot at Mr. John's restaurant, located in the lobby. They also offer a comfortable lounge for leisurely pre-dinner drinks.

Enjoy antiques in the Garden District. Sample legendary Bourbon Street restaurants revered the world over. Check out wild French Quarter nightlife. Or experience a different kind of wildlife ... at the Audubon Zoo and Aquarium of the Americas. Try something totally different like a ghost, voodoo or swamp tour and don't forget the music. New Orleans has a multitude of musicians playing every night of the week. Whether it is Dixieland jazz, Cajun rhythms, bluegrass, country music or the blues, you'll find something to start your toes tapping in this eclectic city.

"There can't be a better way to see New Orleans. From our suite in the Garden District, we could just step out the door and take the trolley to wherever you want to go in that swinging city." — A Fellow Owner

Wyndham Lake of the Ozarks

Includes Inventory in CLUB WYNDHAM® Access

Old-Fashioned Family Fun. Wyndham Lake of the Ozarks, located at Osage Beach, blends modern comforts with old-fashioned country pleasures. Besides a wonderful lake view from every unit and pleasing on-site amenities, this resort also assures you convenient access to many of the most popular Ozark area attractions, from lake and cavern adventures to shopping, amusement parks, water parks and more. Every unit is right on the lake, and if you're bringing your boat, there's a boat dock right on site. Even if you don't have a boat, wander out anyway: there's a swimming area just off the dock. Fitness buffs can get a good workout at the resort's exercise room, then enjoy a post-workout soak in the outdoor hot tub. The Recreation Center/Game Room, stocked with pool table and arcade games, is always a big draw for pre-teens and teens. Little ones have a play area of their own outside. After a busy, fun-filled day, enjoy a cocktail from your balcony as you watch the magnificent sunset over the water. Or light up the fireplace, grab a DVD and popcorn, and relax with your family.

Fantasy World Caverns, first discovered by local Indians, has three fascinating levels — from the large lake and canyon-like river passages at the entrance to the two natural waterfalls and numerous formations. Lake of the Ozarks State Park features miles of sprawling forest, including Jacob's Cave and Bridal Cave, two of more than 5,500 in the "Cave State." Kids of all ages (and kids at heart) love Miner Mike's Adventure Town and Big Surf Water Park with water and amusement rides galore. Don't miss the famous castle ruins at Tonka State Park, plus hiking, picnicking, swimming, bicycling and canoeing pleasures.

"We loved our Lake of the Ozarks unit, fabulous view of the lake and cove, it was decorated gorgeously and very spacious. The staff was so nice to us and we wish we could have gotten a couple of extra days there." — A Fellow Owner

Wyndham Taos

Includes Inventory in CLUB WYNDHAM® Access

A New Mexican Treasure. Wyndham Taos is built on the former property of Nicolai Fechin, a local artist, and his residence, situated next to the resort, is now the home of the Taos Art Museum. From here, it's a short stroll to quaint shops, museums and restaurants of this famous artist colony. The natural beauty of this area surrounds you all year round. In the winter, skiing and snowboarding opportunities are endless, while the rest of the year brings hiking, biking and kayaking through the dramatic landscape. Art or adventure — Taos has it all, with a landscape that is waiting to cast its spell on you. After a day of exploring, come back and swim, relax in the hot tub or grab a cup of coffee and enjoy the forest views on your balcony or deck.

A visit to Taos isn't complete without exploring its alpine forests and mountainous terrain on horseback or on foot. Try rock climbing or hang gliding or if you're feeling athletic, bike through the scenic nine-mile West Rim Trail. In warmer months, churn through the frothing rapids of the Taos Box in a raft or kayak, or try a gentler float down river in a canoe. Visit the Rio Grande or the Red River for fly-fishing in some of the most promising pools of trout. Or hike steep alpine trails at the Wheeler Peak Wilderness Area to see cascading waterfalls and the rushing waters of the Rio Hondo. In winter, go snowshoeing, snowmobiling, or race down U.S. Hill on a sled or inner-tube. Taos Ski Valley offers legendary skiing just 15 miles away from your resort. Drive a half hour away to nearby Enchanted Forest Cross Country Ski Area and choose between well-groomed trails or skiing through backcountry wilderness.

“The staff were warm and inviting, very helpful too. The shopping of Taos is within walking distance of the resort and frankly I wouldn't have wanted to stay anywhere else while visiting this unique little town.” — A Fellow Owner

Wyndham Bay Voyage Inn

Includes Inventory in CLUB WYNDHAM® Access

Historical Pleasures on the Water. Wyndham Bay Voyage Inn in Jamestown, about 10 minutes west of Newport, offers serene vacation pleasures coupled with a fascinating history. Quiet, quaint and convenient to all area activities, this waterside resort is your ideal Newport getaway. The focus of this charming 1850s-era resort is relaxation, whether you find it at the outdoor pool, or inside our fitness center. The ambiance of this location makes it particularly popular among couples of all ages. The original house was built in 1889 and floated across Narragansett Bay by barge to where it sits today. That house, so named for its unusual journey, is now our restaurant, Plantation at the Bay, and is still greeting guests with the same graceful stained glass décor and welcoming hospitality. What you'll find inside is even more appealing: fine dining pleasures featuring farm-to-table cuisine in an intimate setting. When you'd like a break from sightseeing, even our on-site activities reflect a simpler, more genteel time: board games, wine and cheese parties and craft classes for your enjoyment.

Breathtaking vistas can be enjoyed at Beavertail State Park, along with sightseeing, saltwater fishing, hiking and a naturalist program. Enjoy a picnic on the scenic grounds of 60-acre Fort Wetherill, a former coastal defense and training camp with a military history that dates back to the Revolutionary War, or Fort Getty, a strategic military spot. Downtown Jamestown is just a short walk away where you can shop and dine in the East Ferry area, see the Beavertail Lighthouse and old Jamestown Windmill. And just over the bridge, there's always the impressive Newport Mansion tour and Cliff Walk.

"The level of service from the staff was exemplary. Our unit had a spectacular view, dinner and brunch at the restaurant was fantastic and the proximity to Newport was great." — A Fellow Owner

The city's sidewalks and trolley transportation make it quite easy to get around.

Go on a guided walking tour of Redwood Library and Athenaeum, America's oldest lending library, built in 1747. Rough Point earned its colorful name as Doris Duke's private retreat, surrounded by rocky shoreline. Its phenomenal collection of European art is open to the public. Enjoy the "living history" tour of the Astors' Beechwood mansion, complete with actors portraying servants and society guests, and don't miss The Breakers — the grandest of Newport's summer "cottages." Tennis fans will be inspired at the International Tennis Hall of Fame and nautical enthusiasts will love the Museum of Yachting. About two-thirds of the 3.5-mile Cliff Walk is in pretty easy walking territory. Even if you just stroll a portion, don't miss these gorgeous views.

Wyndham Inn on Long Wharf

Water Views from Every Unit. If an inspiring harbor view from your unit would make your stay even better, Wyndham Inn on Long Wharf — situated right on the water in downtown Newport — may be the best resort for you. With its cozy one-bedroom format, it's a great choice for romantic couples and smaller families. You have full privileges at our sister resort, Wyndham Long Wharf, right across the street, so feel free to visit in between sightseeing jaunts to enjoy the two pools and other amenities. You'll find more fun at the game room, movie theater, sauna and 24-hour fitness center. If time to relax is what you need, then head up to the rooftop sun deck and enjoy the view from a lounge chair. Meet and greet your fellow owners in a fun, informal setting, including wine and cheese get-togethers, pizza and dessert socials, craft classes, board games and organized children's activities.

Bellevue Avenue is a sight to see: the neighborhood of the "Top 400" of America's wealthiest patrons. Stroll the two-acre Newport Art Museum grounds to enjoy Rhode Island-inspired art, lectures, concerts and events. The 1811 Samuel Whitehorne House is a rare example of a Federal-style mansion, home to the Doris Duke collection of Newport Furniture. If you're here in winter, ice-skating fun can be found at the Family Skating Center at the Newport Yachting Center. Spend the afternoon wandering through early 18th-century New England at Prescott Farm: original buildings, pond and walking trails.

"I loved the location of the resort. It was within walking distance of the things going on but it was not right in the middle of it. The view from my room was beautiful. The Inn on Long Wharf is a wonderful place to stay. It is the perfect place for a romantic getaway." — *A Fellow Owner*

Wyndham Long Wharf

The Year-Round Newport Playground. Wyndham Long Wharf — close to the waterfront and central to all the Newport fun — is a warm, friendly resort that combines the perfect location with great on-site activities and amenities. One amenity owners often mention is the rooftop sun deck — a great spot in summer to catch some rays (and a nice view). We have one outdoor pool for warmer months and another that is heated with a water slide: half indoors for year-round swimming with the other half outside for sunbathing. Families love kicking back in our movie theater after a busy day, while those feeling more energetic can exercise at our 24-hour fitness center then relax in a hot sauna. Enjoy a good book or quiet conversation by our tranquil gazebo. The game room is a guaranteed “kid magnet” with air hockey, pool and arcade games. There’s also a variety of activities such as wine and cheese get-togethers, pizza and dessert parties, crafts, board games and organized children’s activities.

Experience the city’s reputation as “sailing capital of the world” for yourself — take a leisurely sailing tour of Newport Harbor and maybe even a lesson. Thames Street offers great shopping with a split personality: national brands in Upper Thames; more eclectic shops in Lower Thames. Any time you visit the “City by the Sea,” there’s bound to be a music festival (from folk and pop to jazz and chamber music) or themed celebration — starting with the Newport Winter Festival, Spring Boat Show, Great Chowder Cook-Off, Black Ships Festival and more, closing with Oktoberfest and the Annual Christmas in Newport, when the mansions are decorated for the holidays.

“The entire staff at Wyndham Long Wharf is extremely knowledgeable of the entire Newport area. They are ready to provide you with a list of area attractions.”

Wyndham Newport Overlook

The More Private, Condo-Style Stay. If you like a resort that's a bit more secluded than the typical Newport area stay, you'll appreciate Wyndham Newport Overlook, conveniently located near the Jamestown/Newport resort area right on the water. Guests who covet a tranquil, outdoorsy feel really like the individual condo building design and peaceful amenities. Families often praise the generous room sizes and more private feel of the units, as well as having their own patio with a barbecue grill. It's very easy for the whole family to enjoy quality time together here. Besides the outdoor pool and hot tub, there's a volleyball area and swing set, plus fishing and a beach a mile down the road. See where generations of soldiers lived from 1824 to 1950 at Fort Adams, an engineering and architectural masterpiece. Learn the history of Rose Island Lighthouse, fully restored to its 1912 beauty. Tour the National Museum of American Illustration, where artworks from the "Golden Age of American Illustration" are presented in a 17th-century French chateau setting.

Natural Carolina Beauty. Just off South Carolina’s southern coast on Edisto Island, you’ll find Wyndham Ocean Ridge, with 300 wooded acres of sleepy lagoons, exotic flora and majestic birds that soothe the soul and stimulate the senses. If you’re seeking an outdoor vacation setting with equal parts relaxation and recreation, this secluded resort satisfies your needs ... and then some. This resort surrounds you with moss-draped oak trees and unspoiled island waters. The favorite way to travel is by bicycle or surrey-topped tram to reach our beachfront cabana. (Tram runs during the summer.) There’s swimming and surfing, plus opportunities for peaceful reflection along with seashells exclusive to Edisto Island. Our secluded tennis complex features Gras-Tex courts. There’s a playground for kids plus a recreation center with DVD rentals, foosball, pool, shuffleboard, basketball, volleyball, fitness center and putt-putt. You can even rent a bicycle to explore the area. Couples and families alike enjoy our weekly activities — the Lowcountry Shrimp Boil is mentioned by owners as one of their favorites.

Adjacent to the resort is a marina on Big Bay Creek, a great spot for fishing. Go shrimping and crabbing or charter a boat for deep-sea fishing. Play golf on the 18-hole course laced with creeks and lagoons, complete with pro shop. Set off on an invigorating walk, or if you enjoy picturesque drives, old-fashioned two-lane roads bring peaceful country views. Museums, beautiful plantations and historic sites are available with day trips to Charleston and Savannah, and the resort offers a variety of tours.

“Edisto Beach looked perfect for a relaxing getaway. Wow, and was it ever! We walked along the beach at sunset and watched the dolphins play about 25 yards away from us in the ocean. We drank coffee on our deck and checked out several of the local restaurants in town.” — A Fellow Owner

For an authentic taste of Southern opulence, plan a day trip to view the museums, plantations and historic sites of Charleston or Savannah.

"We go to Edisto every April (off-season) and feel like we 'own' the place. We can walk to the ocean and watch the sunrise, and walk to the sound to see the sunset."

Wyndham Vacation Resorts Lake Marion Includes Inventory in CLUB WYNDHAM® Access

Lakeside Charm Just off the Beaten Path. Between Columbia and Charleston, on the banks of South Carolina's largest lake, lies a charming and comfortable property. Wyndham Vacation Resorts Lake Marion sits right on the shore of Lake Marion's Chapel Branch, a calm, tree-lined waterway that creates the perfect escape for you and your family. With outdoor activities in every direction and a location that's a convenient drive to attractions, you won't need to go far to find your own brand of fun. If you're looking for ways to work off some energy, visit our indoor fitness center or try water-skiing and Jet Skiing. Then relax those tired muscles by slipping into the outdoor pool. With 12 boat slips and an on-site dock, you'll have ample opportunity to access the Chapel Branch, Lake Marion itself and beyond. If fishing is your game, you are definitely in the perfect place. From the quiet comfort of your own balcony, you'll be able to enjoy pristine views of land protected as a national park.

A diversion canal connects Lake Marion and Lake Moultrie, which allows you to traverse a large part of South Carolina's splendid boating and fishing territory without ever setting foot on land. The resort is also right in the middle of golf country, so be sure to bring your clubs. Some of South Carolina's most popular and historic cities are a short drive away. And for small-town charm, the town of Santee is just down the road from your door.

"If you are a golfer or a fisherman you would have a fantastic time. Play a different course everyday and fish a different part of the 171,000-acre Lake Marion/Lake Moultrie. If you enjoy beautiful views of the lake from your deck, the laid-back ambiance of Southern hospitality then you will love Lake Marion."

Wyndham La Cascada

Includes Inventory in CLUB WYNDHAM® Access

An Ideal Blend of Resort-Style Fun and Urban Excitement in San Antonio.

Wyndham La Cascada offers you the best of both worlds: more on-site amenities and unit choices than most urban resorts, and downtown entertainment that is within walking distance. This resort is located along the famous River Walk on Dwyer Avenue, less than two blocks from the downtown River Walk loop. The building's layout takes full advantage of the River Walk and downtown San Antonio views — which you'll enjoy from our rooftop swimming pool and sun deck. The interiors pay tribute to local regional flavor with rich Spanish architecture, warm Mediterranean colors and a dynamic urban décor.

While on the River Walk, enjoy this top Texas draw's cobblestone walking streets, restaurants, bistros, galleries, boutiques, nightclubs and live music performances. You can also see the three-mile "Paseo del Rio" complex from the water via a sightseeing cruise by day or sail via candlelight at night. No San Antonio visit is complete without a visit to the famous Alamo. Amazing views await you atop the Tower of Americas ... climb 700 feet up, then stroll around the circular observation deck to see all of San Antonio's beauty below. Oceanic and roller coaster thrills are at SeaWorld® and Six Flags® Fiesta Texas, offering seasonal fun spring through fall. While you are staying at Wyndham La Cascada, our inviting staff will make sure you see everything San Antonio has to offer and more.

"Staying at Wyndham La Cascada is an ideal choice since its location is just within walking distance to the River Walk. Also, other theme parks like Sea World and Six Flags are a close drive from the resort." — A Fellow Owner

Wyndham Patriots' Place Includes Inventory in CLUB WYNDHAM® Access

Your “Home Away from Home” in Williamsburg. Wyndham Patriots' Place, situated about a mile away from historic Williamsburg, was built on the lush grounds of a former golf course. The property's spaciousness, mature landscaping and lower-key architectural style lends a warm, comfortable “home away from home” feel to your stay. Owners who have stayed at this resort always mention how scenic, peaceful and serene it feels. From the charming pond gracing the property's entrance to the small-town, neighborly feel of the two-story condo structures to the tiny lake, perfect for picnicking or feeding ducks, every corner seems to beckon you with welcome tranquility. Even the outdoor pool is set against tall, majestic pine trees. If you're looking for some competitive fun, you and your family can organize sand volleyball or a horseshoe tournament.

American history buffs adore the authenticity of Colonial Williamsburg® and the rich culture of the area. Bluebeard's Beach Club

24 Acres of Secluded St. Thomas Bliss. Bluebeard's Beach Club is nestled on an secluded Caribbean beach at the southern end of the island, making this an idyllic oceanside spot for couples or smaller families. Free of crowds and commercialized tourist areas, you'll find this resort offers you many of the same on-site amenities and activities that are at the more popular locations, but in a more residential-style environment. The surrounding area includes only a few private homes, and the beach is wide open and much less crowded than typical Caribbean hotspots, lending the resort an atmosphere of exclusivity. There's a free-form pool with a swim-up bar and a complete water sports center — with kayaking, snorkeling and more. There's also a gym for your fitness pleasure as well as genteel pursuits like an old-fashioned game of garden chess or lawn checkers. Work up an appetite with a game of volleyball — water or sand — or on the tennis court. And if you don't want to leave the resort, a dinner buffet is available five nights a week.

Shop for everything from halters to hot sauce at Haven Sight Shopping Plaza. Ships have been visiting Charlotte Amalie since the 1600s — wander through shops that used to be pirates' lairs. Take a ride on the Paradise Point Tramway, a modern ski lift-style cable car with panoramic views of downtown Charlotte Amalie and neighboring islands. Catch the ferry to St. John or the 24-square-mile island of Tortola. Don't miss Magens Bay — it's often listed among the world's most beautiful beaches.

“The island was beautiful and was the perfect setting for our honeymoon. To look out each day and view the palm trees and sky against the blue waters was intoxicating. To enjoy a nice dinner on the balcony of our loft with the soft light of the resort glistening on us was mind boggling.” — A Fellow Owner

Elysian Beach Resort

St. Thomas Stay with Family Appeal. The beautiful Elysian Beach Resort, located next to the St. Thomas Yacht Club on the eastern end of the island, offers a most magnificent setting for guests. Enclosed by palm-shaded hills and overlooking its own yacht-filled cove, the resort provides a full array of amenities and activities in the water and on land to make your Caribbean stay a rewarding pleasure. You'll enjoy the tropical island feel the moment you set foot on the property, starting with beautifully landscaped grounds that owners often compliment. The free-form swimming pool and hot tub are surrounded by tropical palm trees, a relaxing place to splash and swim or curl up with a book beneath the warm sunshine. All kinds of ocean fun are right here: snorkel beneath the water, or sail above it. Try a workout at our fitness center or let our therapists massage every ounce of stress away. The mellow mood continues with chilled cocktails at sunset beneath a beachside umbrella table. Dining here is pure pleasure: fresh island seafood and Caribbean specialties can be found at Sangria or Caribbean Fish Market.

Savor open-air dining pleasures overlooking picturesque Cowpet Bay at St. Thomas Yacht Club, then spend the afternoon at the unique shops in Palm Passage. Nearby Red Hook is a popular spot with its eateries, sports bars and boat dockage. Enjoy golf under the sunshine at Mahogany Run, one of the top golf courses in the Caribbean. Visit the Magens Bay Arboretum and gaze upon the rare and exotic trees that thrive on the island. See for yourself why Trunk Bay is the most-photographed beach in St. John, a short ferry ride away.

“This location has all you could enjoy about St. Thomas without ever having to leave the resort. Two great restaurants (casual or fine dining) with music to enjoy. A beautiful view, with a beach that is family friendly.” — A Fellow Owner

These resorts offer:

- Great locations very close to shopping, dining and local night-life

*It's not just a vacation,
it's a state of mind.*

Wyndham St. Thomas

It's 5 O'Clock Somewhere. Inspired by the lyrics and lifestyle of Jimmy Buffett's Margaritaville, this resort covers all the bases. Located on Water Bay at the eastern end of St. Thomas, this beachside location is nestled in a cove fringed by waving palm trees. It's the perfect escape for anyone with a sense of adventure looking for music and fun on vacation, or for those dreaming of a more laid-back experience. Grab that beach chair, kick off your flip-flops and sip a margarita while looking out onto an expanse of fine white sand, crystal-clear waters and St. John island in the distance.

From the moment you pass the native stone entry walls and start hearing those familiar songs, you enter a world like no other. Enjoy a workout at the fitness center or feel rejuvenated with a relaxing massage. Join in poolside activities, find an empty hammock calling your name, or enjoy a salty margarita, ice-cold LandShark lager or boat drink at the 5 O'Clock Somewhere Bar! And it wouldn't be paradise without a Margaritaville® Restaurant serving up island-inspired food with a twist, including that juicy cheeseburger in paradise. There is really no need to leave the resort but if you're in the mood for a little activity, Red Hook is close by with its picturesque open-air restaurants, unique shops and galleries. Play a round of golf or climb the famous 99 Steps of Charlotte Amalie for an incomparable view of the Caribbean. As evening begins, watch the setting sun by the warmth of a fire pit, or relax on the beach in an Adirondack chair with an after-dinner drink. Pool cabanas, tiki huts, songs from St. Somewhere and warm summer breezes — it doesn't get any better than this.

“Like many sailors, I have at one time called Charlotte Amalie homeport. The Virgin Islands, and the waters that surround them, netted me many memories that became songs and stories, and those memories are still with me today. Now I really have a great excuse to get here more often — Let the FIN begin.” — Jimmy Buffett, the first owner at Wyndham St. Thomas, a Margaritaville Vacation Club® resort

This gives you access to thousands of vacation resorts throughout the world!

Using your Worldwide Exchange benefit is a great way to experience resort destinations that are not available within the CLUB WYNDHAM Plus Resort Collection. You may use your points as a deposit with your Worldwide External Exchange company up to the last day of your Use Year.

Your Worldwide Exchange company benefits are outlined below along with benefits specific to your exchange affiliation. Your exchange company affiliation is indicated on your membership documents.

- Points may be deposited from 10 months prior to the Use Year Start Date up to and including the last day of the Use Year.
- Separate deposits are required for each Use Year.
- Pool Credits are not eligible for deposit to your Worldwide Exchange company.
- Your deposit requires a Reservation Transaction. You may purchase additional Reservation Transactions as needed at a reduced rate of \$30 when making your deposit online at myclubwyndham.com, or for \$59 when the request is made by phone. Please refer to page 338 for additional information about Reservation Transactions.
- You may rent additional points as needed to complete your deposit at \$10 per 1,000 points by calling your Vacation Planning Center. Please refer to page 338 for additional information about Renting Points.
- The required points, Housekeeping Credits and a Reservation Transaction will be deducted from your CLUB WYNDHAM Plus account.
- Specific weeks of inventory are not eligible to be deposited in your Worldwide Exchange account.
- Deposits placed in your Worldwide Exchange account are a final transaction and may not be returned to your CLUB WYNDHAM Plus account.
- Your deposit will be available for an exchange reservation for two (2) years from the date of deposit.

a points deposit with RCI. This new feature allows you more flexibility when traveling outside the CLUB WYNDHAM Plus program using your points.

Hold Inventory

- To place an RCI Weeks Exchange unit on hold, you will need to speak to an RCI guide and request the unit be placed on hold, if the required points are not currently deposited with RCI.

CLUB WYNDHAM® Plus Program Guidelines

The features and benefits of your CLUB WYNDHAM Plus membership.

Understanding Your Points and Your Use Year

As a CLUB WYNDHAM® Plus Member you start off with a set of CLUB WYNDHAM Plus points. Your points are like currency, used to book all of the exciting vacation options available to you. These points are allocated to you annually or biennially based on your ownership purchase. You have 12 months to spend your points. This 12-month timeframe is called your Use Year.

Important Information

- Review the Points Charts on each resort page to determine how many points you need to vacation.
- As you make your reservations, points will be deducted from the Use Year that your vacation begins.
- If you have Cancelled Reservation Points (see page 340) or Pool Credits (see page 341) in addition to your Regular Use Year Points, the points with the earliest expiration date will be used first, based on your travel date. Then they are deducted in the following order:
 - Regular Use Year Points
 - Pool Credits
 - Cancelled Reservation Points

- While this is the normal order in which points are deducted, not all types of points are eligible to be used for all vacation benefits.
- Any points remaining in your account will expire at the end of your Use Year.
- Each new Use Year you receive a new set of points to spend.
- There are four Use Years in CLUB WYNDHAM based on calendar quarters.
- Your Use Year is assigned based on your ownership and when you purchased.

For Members with Biennial Ownership

Members with a biennial contract receive an allotment of points every other year. Your 12 month Use Year is January 1 to December 31 every odd year or every even year depending on your contract.

Making Your Reservations

Reservation Timelines

Advance Reservation Priority (ARP)

Advance Reservation Priority is a priority reservation feature that allows you to confirm a reservation up to 13 months in advance at your “home” resort(s). This is your opportunity to reserve a unit when availability is greatest!

- Confirm a reservation for 3, 4 or 7 nights, checking in or out on the resort’s designated check-in day.
- Only Regular Use Year Points can be used for reservations during this booking window.

Important Information about Advance Reservation Priority:

ARP privileges vary by different membership types, as specifically described in your membership documents.

- CLUB WYNDHAM® Select – See the CLUB WYNDHAM Select section of this Directory starting on page 368.
- CLUB WYNDHAM® Presidential Reserve – See CLUB WYNDHAM Presidential Reserve section of this Directory starting on page 376.
- CLUB WYNDHAM® Access (CWA) – See the CLUB WYNDHAM Access section of this Directory starting on page 372.

Standard Reservations

During the Standard Reservation window, you can experience the real “flexibility” of the CLUB WYNDHAM Plus program, by customizing your vacation to meet your travel needs. Choose from any of the great locations in the “Your Resort Collection” section of this Directory, select the unit size that’s right for you and stay a week or just a couple of days. The choice is yours!

- The Standard Reservation period is 10 months to 91 days prior to check-in.
- During Prime season, a 3-, 4- or 7-night stay is required, checking in or out on the resort’s designated check-in day.
- During High, Quiet and Value seasons, a 2-night minimum stay is required, and you can check-in on any day of the week. (Refer to the individual Points Charts to determine if a 7-night stay is required.)
- You may rent additional points if needed to complete a portion of a night’s reservation.
- **EXAMPLE:** If you request a reservation for 5 nights, but only have enough points for 4 nights plus a portion of the 5th, you may rent the additional points you need to complete the last night’s stay.
- Fees are nonrefundable.

“Grandfathered” VIP guidelines

Upgrading your membership: (To reach the next VIP Level) If you are Grandfathered at a VIP level and you trade or purchase an additional contract on or after November 1, 2012, you will need to purchase enough points to reach the next current VIP Points Level. For example, if you have 350,000 points, you will need to purchase an additional 350,000 points to reach the next VIP Level (Gold). If you do not meet the minimum points required for the next level of VIP, you will remain Grandfathered at your current level.

Decreasing your membership: If you are Grandfathered at a VIP level and the grandfathered eligible point value of your membership decreases for any reason (e.g., because you sold or transferred one or more of your ownership interests), in order to maintain VIP status at the same or lower level, you must meet the applicable VIP Point Levels Prior to November 1, 2012 (see Eligibility Requirements). If your grandfathered eligible points owned fall below 300,000, you will no longer be VIP (CLUB WYNDHAM® Silver). In order to then regain your VIP status, you will need a minimum of 400,000 points as required by the current VIP Points Levels. CLUB WYNDHAM may from time-to-time offer programs that could affect your membership level.

If you choose to participate in these programs, please contact Owner Services at 800-251-8736 to determine if your membership level will be affected.

Family Transfers: If you are Grandfathered at a VIP level and wish to transfer one of your ownership interests to an “Immediate Relative,” the eligible ownership interests that were purchased prior to November 1, 2012, will be considered eligible toward the applicable VIP Point Levels prior to November 1, 2012 (see Eligibility Requirements). The Immediate Relative that you are transferring your ownership interest to will need a minimum of 300,000 grandfathered eligible points to receive Grandfathered VIP status.

What is a grandfathered eligible point? CLUB WYNDHAM Plus points associated with ownership interests purchased directly through Wyndham Vacation Resorts or its affiliates, ownership interests acquired by will or intestate succession, ownership interests acquired by “Immediate Relative” of members, or through PIC Plus conversions owned prior to Nov. 1, 2012.

Advance Reservation Priority (ARP) to CLUB WYNDHAM Access Resorts

During the Advance Reservation Priority window (13 to 10 months prior to check-in date), a CLUB WYNDHAM Access owner can confirm a reservation at any of the resort locations that are part of CLUB WYNDHAM Access, which are considered their “home” resorts (subject to availability). Reservation availability is based on several factors, including the demand for reservations and the amount of inventory in CLUB WYNDHAM Access at each CLUB WYNDHAM Access resort. Reservations made within the Advance Reservation Priority window can only be made using the amount of points associated with the Member’s CLUB WYNDHAM Access ownership.

Standard and Express Reservations

CLUB WYNDHAM Access owners, like all CLUB WYNDHAM Plus Members, can book a reservation 10 months prior to check-in at any of the available locations listed in the “CLUB WYNDHAM Plus Resort Collection” section of this Directory, pages 336-337. Additional Services

Title & Ownership Changes

Wyndham Vacation Resorts' Title Services department is responsible for coordinating the issuance of Wyndham Vacation Resorts purchasers' warranty deeds, CLUB WYNDHAM® ACCESS ownership certificates, and, when applicable, mortgage releases and satisfactions. The timing of the delivery of your deed is dependent upon a number of factors, which include completion of the building and local government requirements where the ownership interest is located. The average timeframe for deed delivery is six months after payment of closing charges.

The Title Services team can also assist you in updating Wyndham Vacation Resorts' records if you have made changes to your ownership or to the names on your account. Please contact Title Services should you have any questions regarding transferring your ownership, or adding or removing a name from your ownership. However, we recommend that you also contact your attorney or other professional for questions regarding deed transfers and estate or probate matters.

Depending on the nature of the change, certain legal documents will be required before ownership records can be updated. Please note that an administrative processing charge of \$299.00 will also apply.

Your Assessment & Financial Services

The CLUB WYNDHAM® Plus Assessment

The more you experience the resorts, hospitality and benefits of the CLUB WYNDHAM Plus program, the more you will come to appreciate the variety of services it offers. It will also demonstrate how your assessment dollars are put to the best possible use.

The CLUB WYNDHAM Plus Assessment consists of two parts:

1. The CLUB WYNDHAM Plus Program Fee ("Program Fee")
2. The underlying Home Owners Association Maintenance Fee at your "home" resort ("HOA Fee")

The Program Fee is determined annually by the program's Board of Directors on a pro-rata basis depending on the number of points assigned to each member. This fee is used to pay the operating and administrative expenses, such as resort personnel, Owner Services, telephone and computer systems, Member Directories and updates, the Plan Manager fee, annual audits and other related expenses. There are some services offered by the program that are not paid from the Program Fee. The rates are included in the description of these services in this directory. Rates shown are subject to change.

The amount of the HOA Fee is determined by the Board of Directors of the underlying Home Owners' Association. Expenses typically covered by the HOA fee include on-site maintenance and resort services for members such as maintenance of common areas, interiors and appliances as well as major refurbishment expenses, housekeeping, utilities, taxes (with the exception of some resorts for which a separate bill is sent for the annual property taxes) and on-site management.

- **Fixed/Float Week HOA Fees** are estimated on a per-interval basis, are collected in advance and are held in escrow on your behalf until due and paid to the HOA. Any differences between

the amount paid and the amount charged by the HOA, will be included in the HOA Fee for the following year.

- **UDI (Undivided Interest) HOA Fees** are determined by the number of CLUB WYNDHAM Plus points allocated to a member's interest.
- **CLUB WYNDHAM Access HOA Fees** are determined based on the amount of inventory from each resort location that is part of CLUB WYNDHAM Access. This inventory has a certain maintenance fee associated with it. The various maintenance fees and other expenses associated with CLUB WYNDHAM Access inventory are combined, or blended, and then allocated based on the number of points owned by each CLUB WYNDHAM Access member.

Assessment Billing

Assessments may be paid annually or in monthly installments. Members who wish to pay their Assessments annually will be billed in January every year. Payments may be made through the approved ACH (Automatic Check Handling) or Credit Card Auto Pay Plan. This service is convenient and free! Those who choose to be billed for their Assessment will be subject to an \$8 service charge per billing to cover the cost of statement.. If a Member makes an additional ownership purchase using the same member number, the Assessments for each contract will be combined to have the same payment frequency and payment method.

If a Member becomes delinquent in paying an installment of the CLUB WYNDHAM Plus Assessment, the Member will receive a notice of the delinquency, will have an opportunity to respond before being blocked from making a reservation or vacationing, and may incur additional fees. Although most CLUB WYNDHAM Plus Members pay their Assessments on time, we would like to remind all Members that Assessments more than 30 days past due may be subject to a \$15 CLUB WYNDHAM Plus late fee and interest

charge as authorized by state law. Additionally, HOA late fees and interest may be charged as authorized by the HOA documents and as authorized by state laws. A Member may also be charged for any collection fees; including reasonable attorney fees; and a lien may be placed on the Member's ownership interest.

If a Member is delinquent in paying installments of the CLUB WYNDHAM Plus Assessment for more than 90 days, the Plan Manager may cause the forfeiture of the delinquent Member's use rights for the entire current Use Year, even if the Member later becomes current. Use rights will be reinstated for the following year. Future reservations are subject to cancellation. Members may also be removed from the CLUB WYNDHAM Plus program if their Assessment payment becomes more than 91 days delinquent.

Annual Summary

The Annual Summary is mailed at the end of each calendar year to all CLUB WYNDHAM Plus members. The Annual Summary provides detailed Assessment information by contract for the upcoming year.

The Financial Services Department can assist with any Assessment or billing questions.

Be Web Wise

You may also access your account information, set up your automatic payments and view details of the CLUB WYNDHAM Plus Assessment Fee in the exclusive member's area of myclubwyndham.com.

For Members with Biennial Ownership

Even though you receive an allotment of points every other year, the HOA portion of your Assessment is divided in half and billed every year on either an annual or monthly schedule, so the payment amount is conveniently spread over 2 years.

Program Disclosures

The number of points necessary for a specific reservation is determined by the unit size requested, time of year, destination and duration of stay. Thus, a Member may not have enough points to make reservations in large units or at peak times at popular resorts. Additional charges may apply to certain reservations. Refer to the “CLUB WYNDHAM® Plus Program Guidelines” section of this Directory for additional information.

Reservations are confirmed on a space available basis and there are no guarantees of fulfillment of specific requests. A Member will always be able to obtain a reservation for an accommodation in the Program so long as the Member applies for a reservation in accordance with the procedures outlined in this Directory.

Membership includes access membership in either RCI®, LLC (“RCI”) or Interval International® (“II”), an international exchange network, and as such Members are not individually charged an annual membership fee.

Some reservation features in the program require a fee, such as: Points Rental, Points Credit Pool Deposits, Guest Confirmations, Transfer of Ownership, Worldwide External Exchanges, PlusPartners® and PIC *Plus* Exchanges. Also, charges for additional Reservation Transactions and Housekeeping Credits may apply, based on Member usage.

Participation in the VIP, PIC *Plus*, PIC Express, CLUB WYNDHAM Referrals and the PlusPartners programs is optional and subject to eligibility requirements, including an enrollment fee, as determined by Wyndham Vacation Resorts.

Each Member remains eligible to participate in the Program as long as (i) such Member remains current in the payment of all fees and expenses associated with his or her membership, and (ii) the use rights to such Member’s timeshare interest are assigned to the FairShare Vacation Plan Use Management Trust and available for use by the Members.

Each Member’s timeshare interest is available for use by all Members within the Program through the reservation system. A Member’s use of the CLUB WYNDHAM Plus Program is not dependent upon whether or not the Member’s specific unit is used.

The Program is for a Member’s own personal use and enjoyment and not for any commercial purposes.

All Members’ unused points expire at the end of their Use Year; however, unused points may be deposited for an exchange through your Worldwide External Exchange company anytime prior to their expiration.
